### **CHANGES IN UTAH STATE PARKS RESERVATIONS POLICIES**

**Salt Lake City** – New this spring, the Utah State Parks Reservation Office has two new major policies affecting customers planning to make reservations for camping, pavilions or boat slips.

First, only major credit cards are accepted for camping and other types of reservations. Cash and checks are no longer accepted.

Second, all reservation customers are asked to set up a Utah State Parks camper profile by visiting [stateparks.utah.gov](http://stateparks.utah.gov) and clicking on Internet Reservations. Establishing a profile provides faster and better service for future reservations, as well as providing information for Utah State Parks in the event of an emergency. All campers, including those who are planning to camp on a first-come, first-served basis, must create a profile.

For more information or to make a reservation, please call (801) 322-3770 within the Salt Lake calling area, toll-free (800) 322-3770, or visit [stateparks.utah.gov](http://stateparks.utah.gov).
